REBEL™ WASH 12

KEY FEATURES

IP65 for temporary outdoor applications

12) 60W RGBL LED Array

Up to 14000 Total Lumens Fixture Output

Pixel Control

Calibrated Color Temperature Control

Wide Zoom Range from 5° to 40°

360° Continuous Pan and Tilt

The **REBEL WASH 12™** is a powerful IP65-rated LED wash for many interior and exterior applications.

Projecting up to 14000 lumens output from 12 60W RGBL emitters, the **REBEL WASH 12™** is the ideal work horse luminare providing high output with powerful beams or wide washes, with excellent color quality. From intense primary colors to excellent white color quality with high CRI and calibrated color temperatures, the fixture is the perfect choice for a wide variety of applications. Pixel control or simple uniform access provide additional levels of excitement and effects, and the 360 degree endless Pan and Tilt rotation allows the fixture add another layer of creativity.

With a fast zoom range from 5° to 40° out of a compact fixture design, the **REBEL WASH 12™** has the complete feature set for a wide variety of shows and events. Fully sealed from dust and water, it is a flexible fixture ready to perform in short-term outdoor applications or any indoor environment.
